Although we understand the need/want of parents to give their child the independence of walking/biking home after camp, we recommend that a parent/guardian sign in and out their child every day. If you have given authorization for your child to sign themselves in and out, please ensure a safe route home for your child.

Our facility guidelines states that children under 13 years of age must be accompanied at all times while in the facility by a paid individual 16 years of age or older unless an Un-parented Access Orientation has been completed.
